COVENANT

I, \_\_\_\_\_, cherish the charism and mission of the Sisters of Saint Dorothy and insofar as is compatible with my lifestyle, I will endeavor to carry out the following:

- unite with the Sisters in prayer;
- share in community gatherings to the extent that I am able;
- continue my contact with other Associates, with my Sister contact, and with the Associate Member team.

I will also endeavor to:

- be faithful to my own prayer and spiritual growth;
- continue to study and learn more about our Dorothean roots and family;
- continue to be supportive of the mission statement of the Sisters of Saint Dorothy;
- continue to share the gift of the Dorothean Charism with my family, my faith-sharing community and all those with whom God calls me to be, for I believe that in this age of consumerism and addictions, denial and escapism, the Dorothean Charism can bring hope, purpose, and meaning to our troubled church and to our troubled world;
- I will, with the help of God and with a Dorothean Spirit, continue to focus on the special needs of the poor, youth, and women; to journey compassionately with them; to enable them to attain the fullness of their dignity as persons, to affirm their giftedness, and to encourage and support them as they assume their rightful place in the Body of Christ.
